

Instructions for the Survey

Topic

MOBILEurope: Collective bargaining for mobile workers in Europe under the COVID-19 – cases of frontier, seasonal and migrant workers

1. Respondents should be chosen primarily (but not exclusively) from the following sectors: healthcare and institutional care, construction and infrastructure, IT industry, services, food processing industry and agriculture
2. Three categories of workers are in the focus of the survey – frontier, seasonal and migrant workers. At least 10 respondents should be found for each category. Final definitions of the category can be found in the questionnaire (Question number 1)
3. Respondents (mobile workers) should have been working during the COVID-19 pandemic in the same (host) state as now.
