

4. Guarantee compliance with the fundamental rights enshrined in the European Charter for mobile workers.

CURRENT SITUATION

Sometimes we experience situations of discrimination, lack of fair labour conditions and work in the informal economy of mobile workers.

CHALLENGE

Promoting the visibility and integration of mobile workers in the country that receives them would increase solidarity, equality and non-discrimination.

NEED FOR IMPROVEMENT

Strengthen education and training tools for migrants in their mother tongue to ensure their better integration into society and facilitate their employment; establish basic information channels on living and working conditions through social networks and national websites.
